## You've Invoiced. Now What?

- How can I see my transactions?
- What am I seeing in each column?
- Can I view transactions for a specific policy?
- How can I correct a simple mistake?

# What We Will Review

- Transaction Screen overview
- Configuring and sorting columns
- What am I seeing in each column?
- 'Search Where' filter options
- Using a policy to access transactions
- Viewing transaction details
  
- Let's look at Epic!
